E D I T O R I A L

I would like to thank you all for the marvellous support for our charity programme "PLEDGE A DISC" over the Christmaz period, when the programme finally closed in the early hours of the 27 December you had pledged the grand total of £228. Once again thank you all very much, details will be broadcast over Radio Gan as to the method of payment.

As you can see from the Radio Gan Times we will now be broadcasting on two channels on Monday, Wednesday and Fridays. After much searching you the listeners convinced us that this was what was required. I hope that by this method you the listeners find a programme of your choice to listen to.

I would like to take this opportunity of wishing you all a very prosperous NEW YEAR from all the staff of Radio Gan.

Td Firmager
